

PLEASE DO NOT START THIS TEST UNTIL YOU READ
AND UNDERSTAND THESE DIRECTIONS

1. The booklet contains 195 statements of general principles related to behavioral vision care. As you read through the statements, you need to determine if you agree with the statement, disagree, or if you are undecided. Indicate your answers as follows:

A means you agree completely or to a great extent

U means you are undecided

D means you disagree completely or to a great extent

2. We realize this is a constantly changing field. Please answer the questions on the basis of your current understanding and philosophy.
3. Please ensure that you understand each statement before deciding on your answer. However, don't spend too much time on any one question. If you would like to make any comments regarding any of the statements, these can be noted on the back of the answer sheet.
4. Please use the answer sheet provided to note your choices and make sure your answers are marked clearly.

If you have any questions on how to do this test, please resolve them before proceeding.
